*Canton High School Scholarship*

Trinity Episcopal Church located at 1 Blue Hill River Road Canton is pleased to announce the establishment of a new scholarship program for high school graduates in the town of Canton. Trinity strongly believes in the UN 2030 Agenda for Sustainable Development. The parish is currently working to address the sixth UN goal by creating a clean water source for the village of Chamhawi, Tanzania. The Trinity Episcopal Church of Canton Scholarship is available to all Canton high school student seniors who plan to enroll at an accredited university or college or plan to attend a trade school. The 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are the 17 Sustainable Development Goals (SDGs), which are an urgent call for action by all countries - developed and developing - in a global partnership. They recognize that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests.

Four \$1,000 Scholarships are being made available for 2023
